Proceedings of the Madras Government, Public Works Department,
19th July 1875.

No. 473 Read the following despatch from the Most Honorable the Secretary of State for India.—

Public Works.
No 13.

INDIA OFFICE, LONDON,
10th June 1875

WITH reference to my despatch, dated 6th May, No 7, stating that the Indents accompanying your Public Works letter No. 7, dated 18th March last, would be complied with, I enclose, for your information, a copy of a report,* by the Director General of Stores pointing out that the Indent for the paddle-boat and punts does not furnish the necessary dimensions, &c, of the vessels, and, further, that the estimated cost of the paddle-boat seems altogether insufficient.

* Dated 25th May 1875

2. I request that the information required by the Director General of Stores may be furnished at an early date.

I have, &c.,
SALISBURY.

His Excellency the Honorable
The Governor in Council, Fort St. George.

Report by the Director General of Stores, dated 25th May 1875.

I BEG to suggest that the Government of Madras may be called upon to furnish further information regarding a paddle-boat and three iron punts demanded in Public Works Extraordinary Indent, dated 1st December 1874, received with India Public Works letter No 7, dated 18th March 1875

2 The Indent simply states that one paddle-boat, estimated to cost 500 Rupees, and three iron p nts, to carry 12 cubic yards, estimated to cost 20,500 Rupees, are required, and does not furnish any particulars of the size of the vessels, or their draft of water The purposes for which they are required should also be stated

3 I would also remark that the estimated cost of the paddle-boat seems altogther insufficient.

4 I beg, therefore, to suggest that the Government of Madras be requested to furnish full particulars of the dimensions of the paddle-boat and punts, draft of water, &c, together with the horse-power, and also to state the purposes for which they are required

(Signed) G C. TALBOT,
Director General of Stores.
