*Proceedings of the Madras Government, Public Works Department,
21st July 1875.*

No. 504. Read the following letter from J. O'SHAUGHNESSY, Esq, Acting District Engineer, Tanjore, to Lieutenant-Colonel J MULLINS, R E, Officiating Secretary to Government, Public Works Department, dated Tanjore, 5th July 1875, No. 1,162.—

I HAVE the honor to forward a list of "Disallowances" made by the Controller from the salary claimed by me for the month of May 1875.

Disallowance List.

2. The sum disallowed is the amount to which I appear to be entitled under Rule 4, Section 25, Chapter VIII, of the Acting Allowance Code, for being in charge of two ranges or divisions from the 21st April to the 15th May 1875, inclusive

3. The Controller suggests that I should "explain in a thorough and competent way the increased responsibilities incurred when placed in charge of two ranges" The fact of being in charge of two divisions by order of the Superintending Engineer ought to be sufficient explanation of itself of the increased work and increased responsibility, and this fact appears to be all that the Code requires to establish a claim to the allowance now applied for. I therefore request you will be good enough to obtain the sanction of Government for the disbursement of the amount in question.

No. 505. ORDER THEREON, 21st July 1875, No. 2,067.

ESTABLISHMENT, No. 48.

- Mr. O'SHAUGHNESSY will be furnished with a copy of G. O., of the 29th April 1875, No. 1,182.
