*Proceedings of the Madras Government, Public Works Department,
22nd July 1875.*

No. 526. Read the following docket from the Government of India, Public Works Department, (Account—General,) dated Fort William, 8th July 1875, No. 411 A.—G. —

Copy of the following forwarded to the Secretary to the Government of Madras, Public Works Department, for information with reference to his letter No 1,477, dated 27th May 1875.

By order,
(Signed) J. J. McLEOD INNES, Colonel, R E,
Deputy Secretary to the Government of India.

From the Secretary to the Government of India, Public Works Department, to the Secretary to the Government of Bombay, Public Works Department, dated 8th July 1875, No 410 A —G.

With reference to your letter to the Secretary to the Government of Madras, Public Works Department, No 189 B, dated 11th May 1875, (copy of which has been submitted to the Government of India,) stating that as no special allotment has been made in the Bombay Imperial Public Works Budget Estimate for 1875-76 for the construction of the Rest-house at Sholapore, the work cannot be put in hand, I am directed to state that the necessary provision for the work should, if possible, be made by re-appropriation from the sum of Rupees 1,00,000 entered in the Budget estimate for new works in connection with the Hydraulic Lift Graving Dock, but required in paragraph 7 of the orders of the Government of India on the budget to be utilized on other works.

2 The estimated cost of the work being only Rupees 6,000 no difficulty will probably arise in making the re-appropriation suggested, as out of the sum of Rupees 1,00,000 available for transfer, appropriations to the extent of only Rupees 59,497 have yet been sanctioned by the Government of India. If, however, it be found that the necessary funds are not available from this source, I am to request that the amount may be provided for by a transfer from some other grant entered under the head "Military" in the Budget estimate.

No. 527. ORDER THEREON, 22nd July 1875, No. 2,077.
