*Proceedings of the Madras Government, Public Works Department,
22nd July 1875.*

No. 540. Read the following letter from Captain J. L. L. MORANT, R E,
District Engineer, Nilgiris, to Lieutenant-Colonel J. MULLINS, R E,
Officiating Chief Engineer, Public Works Department, dated Ootacamund,
14th July 1875, No. 198 —

With reference to paragraph 2 of the Public Works G. O., No. 1,886 of the 3rd
July 1875, I have the honor to invite attention to the enclosed copy of a letter from
the General Superintendent, Public Works Stores, and beg to enclose an indent on the
Home Government for the copper rod and insulators required. If you will have the
kindness to send on this special indent, and urge the necessity of the materials being
at once supplied, they will probably reach this by next January and thus enable me to
spend the Rupees 7,000 recently allotted.

From J. N. GRAINGER, Esq., General Superintendent, Public Works Stores and Workshops,
to Captain J. L. L. MORANT, R. E., District Engineer, Nilgiris, dated Chepauk, 2nd
July 1875, No. 400

With reference to your letter No. 235, dated 21st June 1875, I have the honor to inform
you that copper rod 1" thick and insulators are not in stock, and Messrs Nicol & Co, Bombay,
state that very little 1" copper rod can be had in the Bombay market, but that they can
supply 2,000 or 3,000 feet of $\frac{3}{4}$ ". Nothing is said by them about the insulators, but if desired
they are willing to obtain the rod and insulators from England and deliver the required quantity
in three or four months from date of order, but this method of obtaining stores is disallowed by
Government, vide G. O., 8th November 1870, No. 2,675, and 28th July 1873, No. 1,896.

2 The 1" rod and insulators must therefore be obtained by indent on the Home
Government, and if a special requisition is sent the articles may be expected here in December
next. I beg to enclose a form of indent which must be sent through Government, and to invite
your attention to G. O., dated 3rd February 1875, No. 300.

No. 541. ORDER THEREON, 22nd July 1875, No. 2,084.

ACCOUNT, No. 22.

SANCTION is accorded to the submission
of a special indent on the Home Govern-
ment for the articles required. The indent
will be prepared by the General Superintendent of Public Works Stores in
accordance with G. O., No. 971, dated 14th April 1874.
