*Proceedings of the Madras Government, Public Works Department,
22nd July 1875.*

No 518 Read the following letter from Lieutenant-Colonel C S HEARN, Inspector-General of Police, to Lieutenant-Colonel J MULLINS, R E, Officiating Secretary to Government, Public Works Department, dated Madras, 1st July 1875, No 3,270 —

With reference to Orders of Government as per margin, I have the honor to submit a detailed list (marked A) of new works to be carried out by Department of Public Works during the current official year (1875-76), together with a statement (marked B) showing the re-distribution of funds which has been rendered necessary by an increase in the estimates of some districts met by a corresponding reduction in others. The plans and estimates of all the works entered in the list, amounting in the aggregate to Rupees 60,730, have either been sanctioned by Government, or are now pending sanction before Government.

2 With reference to the list A, it will be observed that some of the Department Public Works works entered in the list approved by Government in G. O., No. 3,594, dated 21st December 1874, Public Works Department, have been omitted and others substituted according to urgency of requirements without exceeding the grand total of Budget allotments of several districts.

3 A detailed list of departmental works sanctioned to be executed from the *Police Lodging Fund* under G. O., No 2,176, dated 30th December 1874, Financial Department, together with those proposed to be carried out by Department Public Works from that source, will be forwarded in a separate communication.

4 The delay in the submission of the lists has been caused by necessity for frequent references to districts to obtain all the requisite information for their preparation.
