No. 553. Read the following letter from Colonel W. A. CROMMELIN, R.E, Deputy Secretary to the Government of India, Public Works Department, Military Works, to the Governments of Madras and Bombay, in the Public Works Department; the Chief Commissioners of the Central Provinces and British Burmah; the Superintendent of Port Blair, and Chief Commissioner, Andaman and Nicobar Islands; the Inspector General of Military Works, dated Simla, June 12th 1875, Nos 929—34 M—W.

In forwarding for information and guidance copy of Public Works Department Circular No 37, dated 3rd June 1875, having reference to drawings of apparatus authorized for regimental and first class gymnasia, I am directed to state that it is to be understood as being in substitution of that issued as No. 26 Public Works, dated 8th March 1875, which should be destroyed

2 I am further to add that the plans of apparatus prepared by Captain Stockwell were issued by mistake with the original Circular, and I am to request that they may be returned to this Office.

Copy to Military Department, Adjutant General, Quarter-Master General, and Sanitary Commissioner with the Government of India, for information.

From Colonel W. A CROMMELIN, R E, Deputy Secretary to the Government of India, Public Works Department, (Military Works,) to the Governments of Madras and Bombay, in the Public Works Department; the Chief Commissioners of the Central Provinces and British Burmah; the Superintendent of Port Blair, and Chief Commissioner, Andaman and Nicobar Islands; the Inspector General of Military Works, dated Simla, June 3rd 1875, Circular No 37 Public Works

(*Issued in substitution of P W. D. Circular No* 26, *dated 8th March* 1875)

I AM directed to forward, for information and guidance, one copy of revised drawings of apparatus authorized for Regimental Gymnasia, of which standard plans were issued with this Office Circular No 26 M W, dated 8th March 1875, and one copy of revised drawings of apparatus for first class Gymnasia, of which standard plans were issued with Circular No 52, dated 23rd June 1868

The apparatus to be provided in future is to be made up in accordance with the revised drawings; but the sets now in use are to be understood as being sufficiently well suited for the purpose, without modification, until condemned as unserviceable
