*Proceedings of the Madras Government, Public Works Department,
23rd July 1875.*

No. 573. Read the following Circular letter from Colonel W. A. CROMMELIN, R.E., Deputy Secretary to the Government of India, Public Works Department, (Military Works,) to the Governments of Madras, Bombay, Bengal, the North-Western Provinces and the Punjab in the Public Works Department; the Chief Commissioners of Oudh, Central Provinces, British Burmah, Mysore and Coorg and Assam, the Resident at Hyderabad; the Agents of the Governor-General for Central India and Rajpootana; the Superintendent of Port Blair and Chief Commissioner, Andaman and Nicobar Islands; the Inspector General of Military Works, dated Simla, 23rd June 1875, No 41 P. W. :—

I AM directed to intimate, for general information and guidance, that it has been decided by the Government of India that arm-racks may be supplied to all permanent guards, including those of General Officers, Officers Commanding Stations, Officers' Mess, Hospital, and others of small strength wherever such guards are regularly posted.

2. I am further to explain that the main object of the supply of arm-racks being the preservation of the arms, it is not necessary that the guard-rooms to be supplied with racks should be public buildings under charge of the Executive Engineers; and that for guards, such as those for General Officers, Commanding Officers, and Officers' Mess, &c, which are not always posted at the same building, movable arm-racks may be supplied according to the authorised strength of the guards.

3. I am further to state that arm-racks should not be constructed for other than permanent guards, and that for guards employed temporarily only spare arm-racks, when available from store or other sources, may be utilized.

No. 574. ORDER THEREON, 23rd July 1875 No. 2,098.

MILITARY WORKS, No. 18.
