23rd July 1875.*

No. 608. Read the following endorsement of the Acting Secretary to Government, Revenue Department, dated Ootacamund, 7th July 1875:—

Proceedings of the Board of Revenue, dated 19th June 1875, No. 1,698.
Proceedings of the Madras Government in the Revenue Department, dated 30th April 1875, No. 897.

ABSTRACT.—Requesting to report on the points adverted to in paragraphs 1 and 2 of Proceedings, Public Works Department, remarking on the revenue derived from Irrigation works in the Madras Presidency during 1872-73

THE Board consider that no correct division of the consolidated nunja assessment into land assessment and water-rate can possibly be made, and beg to refer Government to the correspondence noted in the margin on the subject. If a division, however, is absolutely necessary for the purpose of the accounts under notice, and if an entirely arbitrary assumption will satisfy, the Board suggest that one-third of the total consolidated assessments be taken to represent the land-tax, and two-thirds charge for water.

2. The information called for in paragraph 2 of the G. O., Public Works Department, 19th April 1875, No. 1,101, is given in Board's Proceedings, dated 17th May 1875, No. 1,333, a copy of which is herewith submitted.
