*Proceedings of the Madras Government, Public Works Department,
26th July 1875.*

No. 688. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-
STEWART, R E, Consulting Engineer for Railways, to Lieutenant-Colonel
J MULLINS, R E, Officiating Secretary to Government, Public Works
Department, dated Madras, 16th July 1875, No 400 —

I HAVE the honor to submit, for the sanction of the Government of India, an
estimate, amounting to Rupees 12,435, of the cost of extending the passenger platforms
and of constructing a latrine for natives at the Perambore Station

2. In the schedule of works proposed to be undertaken during the half-year ending
30th June 1875, the Railway authorities included an estimated expenditure of
Rupees 3,100 for lengthening by 100

G O, No 618, 4th March 1875 feet the platforms at this station, but, on
reconsideration, they have prepared a revised estimate, and, in forwarding the same, the
Agent quotes as follows from a letter from the Chief Engineer —

“To meet the requirements of this station it is necessary to extend the north
platform 310 feet and south platform 180 feet westward. It is also essential, for the
cleanliness of the station and the convenience of the passengers, that a 1st-class latrine
be built on the north side of the line.”

3 It will be seen that, in addition to the platforms being carried to a greater
length than was at first proposed, the accompanying estimate provides for a 1st-class
latrine for natives, which the station is greatly in need of

4. The subject was discussed at a Meeting of the Railway Committee at Royapooram, and I am satisfied that the proposed improvements are necessary.

5. Funds chargeable to capital can be met as follows from the Budget Estimate for
1875-76.—Rupees 3,100 provided specially for the work in Schedule C, and Rupees
8,935 from Schedule B, “unforeseen requirements” The revenue portion, viz, Rupees
43, from Schedule G. The sanction will lapse at the end of the eighth quarter after its
receipt.

No. 689 ORDER THEREON, 26th July 1875, No. 2,142

RAILWAY, No. 65.

ORDERED that the plans and estimates
submitted with this letter be forwarded for
the sanction of the Government of India.
