*Proceedings of the Madras Government, Public Works Department,
27th July 1875.*

No. 722. Read the following endorsement of the District Engineer, Cuddapah,
dated 15th July 1875, No 821 —

From J. TRAILL, Esq, Assistant Engineer, on special duty, Cuddapah District,
to Colonel A. S. Moberly, R E, District Engineer, Cuddapah, dated camp
at Peddapolhem, 14th July 1875, No. 32.

I HAVE the honor to inform you that neither I, nor, to the best of my belief, any
of the Assistant Engineers who lately came out from Cooper's Hill have signed any
covenant at all. Yet I was under the impression that we belonged to, and came under
the rules of, the covenanted service. I should be glad to be informed on this point,
and as to whether we have yet to sign a covenant. Also, I was privately informed by
Colonel Walker, Secretary to Government, Public Works Department, that I had first
to pass a colloquial examination, and afterwards a higher standard in the language of
the district to which I am posted. As there is no Government Order in your Office
which seems to point to this, I should like to be informed as to whether I have to
pass two examinations or one, and also, if I, being 3rd grade, have to pass the same
examination before promotion to 2nd grade as those of the 2nd grade have to pass before
promotion to 1st grade. Should there be two examinations I should like to know the
nature of them.

SUBMITTED for the orders of Government.

(Signed) A. S. MOBERLY, Colonel, R E,
District Engineer, Cuddapah.
