*Proceedings of the Madras Government, Public Works Department,
28th July 1875.*

No. 779. Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to Government, Public Works Department, dated Madras, 23rd July 1875, No. 3,679:—

I HAVE the honor to submit, for *early* sanction of Government, an estimate, amounting to Rupees 234, for execution by departmental arrangement of repairs emergently required to the station-house at Maipady in the Malabar District.

2. The building is a wooden station-house with a shingle roof, and has been purchased for Rupees 500 under orders of Government, dated 28th March 1874, Public Works Department. It was recently removed to its present site at a further cost of Rupees 300, sanctioned in G. O., No. 869, dated 15th April 1875, Judicial Department.

3. The Superintendent of Police reports that the building has been seriously damaged by the accidental fall of a large tree near it which was being removed to open up the surrounding space. The building is not habitable under present state, and repairs are urgently required.

4. Funds are available from the repair allotment of the district for 1875-76.

5. The estimate is submitted to Government as required by paragraph 15, Chapter XXIV., of Public Works Code, as the estimated cost of repairs exceeds one-fourth of the value of the building and is more than Rupees 50.
