objected to in G Os. Nos 614, 1,127, 1,246 and 2,237 of 2nd March 1871, 30th April 1874, 9th May 1874, and 13th August 1874, respectively, but in respect to two items† I am requested to ask the reconsideration of Government. The Secretary writes as follows —“ The Board think that, under the circumstances, they may be justified in allowing the amount (Rupees 24) to Mr Badham, at the same time they will not do so should the Government of Madras, upon a proper representation being made to them, adhere to their resolution of disallowance. Mr. Badham has convinced the Board that the telegram to Miss Badham was purely on the Company's account, and by the adoption of that course of proceeding a larger expenditure was saved, and they therefore desire that you will address the Government upon the subject and procure the allowance of the Rupees 2 charged.”

3 As regards the former of these cases, Rupees 24, the facts of the case, as taken from the Government Examiner's Audit Statement for March 1874, are these —Mr. Badham went to Ennore for the Christmas holidays (1871), Mr Henslowe the Company's Agent was away on leave, having left Madras on the 22nd December 1871, it appears from that date until the 4th January 1872, when Mr. Henslowe requested Mr. Badham to undertake the duties of Agent, there was no Agent in Madras, and it was during this time that Mr Badham went to Madras on urgent agency duties, and was paid as above under the rules for “ General travelling allowance, No. 59, of Company's Rules”.
