*Proceedings of the Madras Government, Public Works Department,
30th July 1875.*

No. 831. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department (Account—Irrigation), to Major J. O. HASTED, R.E., Officiating Chief Engineer for Irrigation, Public Works Department (Irrigation Branch), dated Simla, 22nd July 1875, No. 219 A. I. :—

I AM directed to acknowledge receipt of your letter, No. 1,647, dated 11th June 1875, forwarding the Revenue Account of the Madras Irrigation and Canal Company for the half-year ending 30th June 1874, and in reply to point out that this account has been submitted more than a year after date. I am to request that measures may be taken to hasten the submission of the accounts for the half-years ending 31st December 1874 and 30th June 1875.

2. I am to add that it is desirable that for the future a review should accompany these half-yearly accounts showing the principal features of the operations of the half year. The report, though it need not be in the same detail, should be prepared in a manner somewhat similar to the reviews of the Revenue Reports of Irrigation Works in Bengal, North-Western Provinces, and Punjab. Copies of these reviews have been already furnished to the Government of Madras.
