*Proceedings of the Madras Government, Public Works Department,
26th January 1875.*

No. 455. Read the following letter from T. MOSS, Esq., Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 19th December 1874, No. 8,384 :—

AN Invoice having been received for stores despatched from England for the Cocanada Light-house, and the General Superintendent of Public Works Stores having reported that the stores (piles, etc.) in question were not indented for by the Public Works Store Department, I have the honor to request that you will be good enough to inform me to what head of service the stores are to be charged. Judging from the Invoice the charge is to be against Imperial Funds.

2. I take the opportunity to invite attention to my letter, No. 3,425, of the 3rd September 1873, suggesting that arrangements be made for furnishing this office with particulars of Indents.

No. 456. ORDER THEREON, 26th January 1875, No. 222.

ACCOUNT, No. 20.

HIS EXCELLENCY the Governor in Council observes that the Controller is correct in supposing that the piles and

stores sent out for the proposed light-house for the port of Cocanada should be charged against Imperial Funds.

2. The Controller's letter, No. 3,425, dated 3rd September 1873, will be found recorded in G.O., No. 483, dated 26th February 1874; and he is informed, with reference to paragraph 2 of his letter, that the annual Indents for stores for the service of the department are bulky manuscript documents, and are not printed as supposed. Office copies of them might be obtained, for reference as required, from the General Superintendent of Public Works Stores.
