*Proceedings of the Madras Government, Public Works Department,
4th August 1875.*

No. 56. Read the following letter from Major-General M. K. KENNEDY, R.E., Secretary to the Government of Bombay, Public Works Department, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to the Government of Madras, Public Works Department, dated 23rd July 1875, No. 318—1,320 M.W.:—

With reference to the correspondence ending with your letter No. 1,478, dated 27th May 1875, regarding the construction of the Rest-house at Sholapur, I am directed to forward, for the information of the Government of Madras, a copy of Resolution passed by this Government, No. 318—M. W., 1,320, dated 23rd July 1875.

No. 318 M. W.—1,320 of 1875.
PUBLIC WORKS DEPARTMENT.

BOMBAY CASTLE, 23rd July 1875.

Letter from the Secretary to the Government of India, No. 410 A.G, dated 8th July 1875.

With reference to this Government's letter to the address of the Secretary to the Government of Madras, Public Works Department, No. 189 B, dated 11th May 1875, intimating that as no special allotment has been made in the Bombay Imperial Public Works Budget Estimate for 1875-76, for the construction of the Rest-house at Sholapur, the work cannot be put in hand, requests that the necessary provision for the work should, if possible, be made by re-appropriation from the sum of Rupees 1,00,000, entered in the Budget Estimate for new works in connection with the hydraulic lift; that the estimated cost of the work being only Rupees 6,000, no difficulty will probably arise in making the re-appropriation suggested, as out of the sum of Rupees 1,00,000, available for transfer, appropriations to the extent of only Rupees 59,497 have as yet been sanctioned by the Government of India; but if, however, it be found that the necessary funds are not available from this source, desires that the amount may be provided for by a transfer from some other grant entered under the head "Military" in the Budget Estimate.

RESOLUTION.—Under these orders, a re-appropriation should be given from Item 30 of the Imperial Budget, and the work should be put in hand and completed as speedily as possible; the usual re-appropriation statement being forwarded for the formal sanction of the Government of India.
