*Proceedings of the Madras Government, Public Works Department,
6th August 1875.*

No. 123. Read the following letter from Major J. BEATTY, R.E., Acting Superintending Engineer, Godavery, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to Government, Public Works Department, dated Dowlaishweram, 29th July 1875, No. 1,323.—

I HAVE the honor to bring to your notice that, at the request of the Collector, I sanctioned an estimate, amounting to Rupees 90, for repairing a building at Dumagudiem, and provided funds for the work from the grant placed at my disposal under the head "Provincial."

2. Two-thirds of this building is occupied by the Police and the remainder by the Postal Department; and I am therefore of opinion that Rupees 30 should be charged to the Postal Department, and request you will be good enough to allot that amount under the head "Imperial," "Repairs," "Postal Buildings."

3. As the Police of the Dumagudiem Range are under the control of the Collector, and not, as in the rest of the district, under the Superintendent of Police, I presume that the repairs of Police Stations there should be charged to "Provincial."

No. 124. ORDER THEREON, 6th August 1875, No. 2,283.

CIVIL WORKS, No. 6-C.

THE sum of Rupees 30 is allotted to the Godavery District from the grant held at the disposal of Government in G. O.,

No. 1,195, dated 30th April 1875, under Postal Repairs.
