9th August 1875.

No. 135. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary
to the Government of India, Public Works Department (Account—Military
and Civil), to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to
the Government of Madras, Public Works Department, dated Simla, 23rd
July 1875, No. 238A.—M. & C. :—

I am directed to acknowledge receipt of your memorandum, No. 459, dated 17th
February 1875, forwarding copy of the Proceedings of the Government of Madras,
Public Works Department, No. 409 of the same date.

2. In paragraph 2 of those Proceedings it is noted that, in the Public Works
Stores of Madras, there is a Dividing Machine which will be set up in the new work-
shops when they are completed, and that then orders for the redivision of circles and
verniers for mathematical instruments from either Calcutta or Bombay can be
complied with.

3. With reference to this statement, I am to request that the nature and cost of
the Dividing Machine may be reported for the information of the Government of India,
as also the nature and value of the work which it may be expected to turn out
annually, and whether any work of regraduation can be executed for the Mathematical
Instrument Department, Calcutta.
