*Mr. Huxham. — State
that there is no objection
to the re-employment
of — in the P.W.D.
by any Dist. Engr.
who requires his services.*

*Proceedings of the Madras Government, Public Works Department,
9th August 1875.*

No. 151. Read the following letter from E. H. PRINGLE, Esq., Acting Special Executive Engineer, Wynad, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to Government, Public Works Department, dated Luckadie, 29th July 1875, No. 592:—

In reply to G. O., No. 351, dated 30th June 1875, I have the honor to state that Mr. Huxham's appointment was one on the Petty Establishment; that he is not, therefore, entitled to pension, and that no register of his services was kept.

2. His place has been filled up, and I cannot recommend him for reappointment, at all events to this district. The work done by him that I have seen is far from good, and I do not think, after what has occurred, he would command labor in a place where he is known.

No. 152. ORDER THEREON, 9th August 1875, No. 2,297.

ESTABLISHMENT, No. 12.

THERE is no objection to Mr. Huxham's reemployment in the Public Works Department by any District Engineer who requires his services.
