Offr. Chief Engineer and
Secretary to Govt
Indep.

Sir,

With reference to G.O. No 1915 dated 6th July 1875 I have the honor to report that the Tramway in question is required for both Harbours works and the M. Stores and Workshop.

It will be observed from G.O. No 1870 dated 11th July 1874, that an Estimate amounting to Rs 5250 was sanctioned for prolonging the tramway to the site of the new Public Works Stores & Workshop at Anemwells. The General Superintendent is anxious that

that this work should be carried out as soon as possible to enable him to convey the stores & machinery now in the godowns near Lines Battery to the new D.P.W. Stores and workshops and thus effect a considerable saving in cost of carriage.

I have the honor to be
Yours most obedt Servt.
