*Proceedings of the Madras Government, Public Works Department,
13th August 1875.*

No. 223. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, (Account-General,) to the Governments of Madras, Bombay, Bengal, the North-Western Provinces and the Punjab; the Chief Commissioners of the Central Provinces and British Burmah; the Director of State Railways, dated Simla, 26th July 1875, Nos. 445—52 A—G:—

With reference to the forecast of expenditure from Extraordinary Funds on Irrigation Works and State Railways, published in the Extra Supplement to the *Gazette of India*, dated 12th June 1875, I am directed to state that the operations on Extraordinary Works will be limited to the amounts shown in that forecast, and that all the arrangements for establishments and expenditure should be regulated accordingly.

2. Further, it is to be understood that nothing in the forecast is to be considered as permitting of expenditure in excess of the amount that has been or may be allowed in the orders on the Budget Estimate, or in orders that may be issued subsequently. The amounts in the forecast may be taken as an indication of the limits within which it is probable the Budget Grant will be.

3. Five copies of the forecast are herewith forwarded for reference.
