*Proceedings of the Madras Government, Public Works Department,  
26th January 1875.*

No. 485. Read the following endorsement of the Chief Engineer for Irrigation, dated Fort Saint George, 2nd January 1875, No. 2:—

From Major J. BEATTY, R.E., District Engineer, Godavery, to Lieut. Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, dated Dowlaishweram, 18th December 1874, No. 2,967.

I HAVE the honor to forward herewith a plan and estimate, amounting to

1 Plan.  
1 Estimate.

Rupees 790, for providing a tiled roof to the Range Office of the Central Delta at Gunnaveram, and to request you will

be good enough to sanction the same as a Minor New Work, Agricultural, or from any other source you may deem most proper.

2. The existing building, being a thatched one and so close to the road on the canal bank leading to the aqueduct, is specially liable to be burnt down, and it has once already been set fire to by some means unknown, and the records, etc., totally destroyed. I therefore consider it most necessary that no time should be lost in undertaking the improvement now proposed for the safety of the public records, etc., lodged in it.

3. When the Central Delta Project is sanctioned and a Range Office erected at Ralli as proposed in those estimates, this building will be most suitable for an Overseer's Office and Stores, as such a building will then be needed in the vicinity of such an important work as the aqueduct.

SUBMITTED to Government with a recommendation that the estimate of Rs. 850 for a tiled roof to the Range Office at Gunnaveram may be sanctioned. The cost would appear to be debitable to Civil Buildings.

(Signed) JOHN MULLINS, Lieut.-Colonel, R.E.,  
*Chief Engineer for Irrigation.*

No. 486. ORDER THEREON, 26th January 1875, No. 236.

CIVIL WORKS, No. 33.

The estimate, amounting to Rs. 850, for a tiled roof to the Range Office at Gunnaveram, in the Godavery District,

is sanctioned as a charge under Civil Buildings, Provincial. There being no funds at the disposal of Government, the work must stand over for the present.
