*Proceedings of the Madras Government, Public Works Department,
17th August 1875.*

No. 295. Read the following letter from Colonel E. A. FOORD, R.E., Superintending Engineer, Bellary, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to Government, Public Works Department, dated Bellary, 2nd August 1875, No. 889 :—

I HAVE the honor to point out that the sum of Rupees 2,360, granted in G. O., No. 1,904, dated 5th July 1875, is only sufficient for the construction of one Armourer's shop for one of the two Native Infantry Regiments stationed at Bellary. The quantities entered in the approximate estimate amounting to Rupees 2,360, approved in G. O., No. 39, dated 6th July 1875, were taken out for one building only, and the estimate has been correctly prepared. I beg, therefore, that the Government will be pleased to grant a further sum of Rupees 2,360, from the Reserve at their disposal, for the construction of a second Armourer's shop, in order that the works may be completed during the current official year.
