Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
27th January 1875.*

No. 487. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 5th December 1874, No. 3,785:—

In reply to paragraph 2 of G. O. of the 27th November 1874, No. 3,356, I have the honor to report that the extra Overseer referred to is G. Soobrayaloo Naidoo, 2nd grade, who is specially employed in the palace works at Madura, and in the town generally.

2. As soon as I heard of Mr. Williams' death, I endeavoured to get another Overseer, and am in hopes of succeeding very soon.

3. I have already reported to Government in letter of the 2nd instant, No. 3,743, that I had sent a more efficient Overseer to Pulney, and intend to go there myself in a few days, as owing to the Range Officer's further neglect and dereliction of duty, I shall be obliged to make a further reduction in the allotments of this work.

No. 488. ORDER THEREON, 27th January 1875, No. 237.

ESTABLISHMENT, No. 30.

THE Government are not desirous of interfering with District Engineers in the management of their charges; but cannot approve of the services of one Overseer being entirely devoted to the works of a single town, while a whole taluq is allowed for months to go without an Overseer. They cannot admit the circumstance as a sufficient excuse for shortcomings.
