AGREEABLY to G. O., No. 226, dated 2nd February 1874, I have the honor to bring to your notice the unserviceable condition of the under-mentioned anicut paddle boats included in floating plant statement forwarded with this office No. 55 of 29th August 1874.

The former has been hitherto used as a range boat (*vide* G. O., No. 1,598, of 19th June 1873), but being found unfit for that purpose was converted again into an anicut paddle boat, and is now found useless even for this service; and the latter has for a long time been used by the Anicut Superintendent for crossing the river for inspecting quarries, &c., on Sitanagaram side, but it has now become unserviceable. Mr. Peters, Executive Engineer in charge of the range, requests therefore permission to dispose of the above plant to workshop for value of materials or by public auction as the case may be, as they are quite useless and almost fallen to pieces. I have the honor therefore to request sanction of Government to the proposed sale and to their omission in future returns.
