*Proceedings of the Madras Government, Public Works Department,
21st August 1875.*

No. 359. Read the following letter from A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department, (Establishment—General,) to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to the Government of Madras, Public Works Department, dated Simla, 12th August 1875, No. 1,263 E.—G.:—

With reference to your No. 1,871, of the 3rd July 1875, I am directed to point out that the proper course in the case would have been to have sanctioned Conductor Doheny's drawing full pay and allowances in the Public Works Department up to the date of his relief from duty, viz., the 8th August 1874. The Controller could then have given him a last pay certificate to that date, and he would have begun to draw his pension from the Military Department from the 9th August 1874, the date of his admission to the pension establishment being altered accordingly.

2. The Government of India does not, however, require a modification of the orders already passed by the Government of Madras.
