

*Proceedings of the Madras Government, Public Works Department,
24th August 1875.*

No. 393. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to Government, Public Works Department, dated Madras, 11th August 1875, No. 446 :—

With reference to the Proceedings of Government, No. 2,278, dated 6th August 1875, I have the honor to submit letter No. 842, dated 10th August 1875, from the Agent of the Madras Railway on the subject of the conveyance of his Royal Highness the Prince of Wales over that Company's line.

2. It will be observed from paragraph 3 that Mr. Elwin is ready to fall in with any arrangement that may be suggested by Government as conducive to the comfort and convenience of His Royal Highness.

From R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Madras, 10th August 1875, No. 842.

In reply to your letter of the 9th instant, No. 877, I have the honor to inform you that I propose to use this Company's own rolling stock for conveying His Royal Highness the Prince of Wales over the Madras Railway. We shall have by the end of October four new double saloon carriages, in addition to the four which are already in use, and these, with the Governor's saloons will, I imagine, enable us to make ample provision for the Royal party.

2. Much will of course depend upon the point at which the Prince comes on to our line, as, if he travels through from the Great Indian Peninsula Railway, *via* Raichore, the better arrangement may possibly be that he should continue his journey in that Company's carriages. If, however, as I believe is probable, His Royal Highness lands at Beypore, we shall be prepared with a suitable train to convey him over our line.

3. I shall be only too ready to fall in with any arrangement that may be considered conducive to the comfort and convenience of His Royal Highness.

No. 394. ORDER THEREON, 24th August 1875, No. 2,421.

RAILWAY, No. 42.

ORDERED that these papers be forwarded for the information of the Government of India.
