*Proceedings of the Madras Government, Public Works Department,
26th August 1875.*

No. 436. Read the following Proceedings of the Madras Government in the Marine Department, dated 4th August 1875, No. 280 :—

ABSTRACT.—*Steamers*.—Letter from the Master Attendant, Madras, reporting that the services of the steamers *Prince*, *Shamrock*, and *Fred and May* are not required in the Marine Department, communicated to the Public Works Department.

No. 437. ORDER THEREON, 26th August 1875, No. 2,443.

ACCOUNT, No. 18.

COMMUNICATED to the District Engineer, Godavery. The *Prince*, *Shamrock*, and *Fred and May* not being required by

the Marine Department will be retained at Dowlaishweram, and will be employed at the District Engineer's discretion on any work for which they may be adapted. The *Shamrock* if not already taken up from Cocanada should be moved out of salt water at once and over the anicut as soon as possible.

2. The District Engineer will report, with reference to paragraph 1 of the Officiating Chief Engineer's memorandum in Proceedings, Madras Government, No. 1,982, of the 12th July last, what may be considered to be the value of the engines and boilers of the *Prince*, and he will transmit careful drawings and particulars of them with a view to their being offered for sale. He will also make proposals for utilizing or disposing of the hull and fittings of this vessel.

3. It will further be necessary to report whether the work which will probably be done by the *Shamrock* and *Fred and May* at Dowlaishweram will be likely to cover the cost of their upkeep. If so funds can be provided under the head of Tools and Plant, Repairs, of the service on which they may be employed, otherwise special instructions will be required.
