

*Proceedings of the Madras Government, Public Works Department,
27th August 1875.*

No. 465. Read the following letter from T. D. HARRIS, Esq., Officiating District Engineer, Malabar, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Calicut, 16th August 1875, No. 79 :—

With reference to G. O., No. 145, dated 20th ultimo, I have the honor to state that the roofs of the Sub-Magistrate's* Court and Record-room are in a dangerous condition, I therefore recommend that work as per margin,† at an outlay of Rupees 2,160, be carried out at once to prevent accident occurring; I have, however, under the urgency of the case, and at the urgent request of the Collector, authorized the Supervisor in charge of the Calicut Range to carry out the work in anticipation of an allotment, and beg that the amount may be sanctioned at an early date.

2. I trust the Government will approve of the steps that I have taken, otherwise I would have to prop up the roof of the Sub-Magistrate's Court and dismantle the record-room to the great inconvenience of the Sub-Magistrate, and incur useless expenditure for simply making the building not quite safe and that also temporarily.

No. 466. ORDER THEREON, 27th August 1875, No. 2,459.
The action of the District Engineer is approved, but specific appropriation of funds cannot be made till later in the year.
