No. 491. ORDER THEREON, 27th August 1875, No. 2,461.

ESTABLISHMENT, No. 26. FROM the above returns it is observed that the holdings to which exception was taken in G. O., No. 2,672, dated 19th September 1874, had either been disposed of under directions of District Engineers or the owners thereof had been transferred to other taluqs or ranges.

2. The Officiating Superintending Engineer, Nellore, reports that Mr. Taluq Overseer Tims had inherited some land in the Ganjam District of which no particulars were then obtainable; a further report will be awaited on the matter, though the fact of the land being in another district renders the holding apparently unobjectionable.

(True Extract.)
Major-General, R.E.,
Secretary to Government.
To all Superintending and District Engineers.
To the Special Executive Engineer, Wynaad.
" Controller of Public Works Accounts.
