*Proceedings of the Madras Government, Public Works Department,
27th January 1875.*

No. 504. Read the following letter from Captain J. PENNYCUICK, R.E., District Engineer, North Arcot, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vellore, 17th December 1874, No. 2,657:—

WITH reference to G.O., No. 3,501, of 12th instant, I have the honor to state that it is utterly impossible for the expenditure on the re-construction of the iron railings in the Vellore Central Jail to be met from the grant at the disposal of this office for Repairs "Civil Buildings," as the latter has not only been entirely appropriated, but (as mentioned in my letter, No. 2,586, of 11th instant) an additional grant will have to be applied for.

2. That the grant is not more than sufficient for ordinary repairs and maintenance of existing buildings is sufficiently shown by the fact that it is less than $1\frac{1}{2}$ per cent. On the value of the buildings at the Vellore Central Jail alone.

No. 505. ORDER THEREON, 27th January 1875, No. 246.

ACCOUNT, No. 25.

Out of the sum of Rupees 4,000 credited to the Reserve in G. O., No. 3,501, of 12th December 1874, Rupees 1,775 having been appropriated in G. O., No. 114, of 14th January 1875, the balance, Rupees 2,225, is all that is now available, and this amount is placed at the disposal of the District Engineer, North Arcot, for repairing iron railings at the Vellore Central Jail; the balance required will, if possible, be allotted when reviewing the statement of savings and demands.
