*Proceedings of the Madras Government, Public Works Department,
27th January 1875.*

No. 507A. Read the following letter from G. S. SAGE, Esq., District Engineer, South Arcot, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Camp at Vanamadavy, 19th January 1875, No. 219:—

With reference to G. O., No. 1,734, of 26th June 1874, I have the honor to state that the temporary clerk therein sanctioned was entertained on the 24th August, and his services dispensed with on the 23rd November 1874. It is reported that during this period all papers from 1867 to 1872 (including the records of the late Ooloondoorpet Range) have been sorted and arranged, and that the work done by the temporary clerk is said to be a fair amount considering the confused state in which the records were left.

2. It would appear that Supervisor Mr. Hicken had no notion of what there was really to do when he applied for a writer for three months, and it is considered that the employment of an extra hand for another two months is necessary for putting in order the remaining papers. I have therefore the honor to request that sanction be obtained for employing the temporary clerk for another two months.

No. 507B. ORDER THEREON, 27th January 1875, No. 247 A.
