*Proceedings of the Madras Government, Public Works Department,
27th January 1875.*

Read the following papers:—

No. 507C. From G. S. SAGE, Esq., District Engineer, South Arcot, to Lieut.-Colonel J. MULLINS, R.E., Chief Engineer for Irrigation, dated Camp at Pooniar Anicut, 9th January 1875, No. 207.

In reply to your No. 1 of 2nd instant, I have the honor to inform you the probable expenditure on the work "lengthening Pooniar Anicut" during current year will be Rupees 15,000.

2. The estimate is under preparation and will be sent in shortly.

No. 68.

No. 507D. *Note by the Chief Engineer for Irrigation.*

THE estimate for lengthening the Pooniar Anicut in South Arcot has not yet been submitted, but the District Engineer forwarded a plan of the anicut showing the damage sustained on the north side of the river, and thereupon instructions as to the general arrangements were sent to him.

2. It is necessary that no time should be lost in preparing bricks and collecting stone, and it is recommended therefore that the District Engineer be authorized to incur expenditure for this purpose in anticipation of the sanction of the estimate, and the grant of the additional funds under Ordinary applied for to the Government of India.

Proceedings, Madras Government, No. 3,619-A,
dated 28th December 1874.
