*Proceedings of the Madras Government, Public Works Department,  
30th August 1875.*

No. 509. Read the following letter from Colonel H. DRUMMOND, R.E., Deputy Secretary to the Government of India, Public Works Department, (Railway,) to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, (Railway,) dated Simla, 18th August 1875, No. 2,078 R. :—

I AM directed to acknowledge the receipt of your No. 2,032, dated the 17th July 1875, submitting the Establishment Lists of the South Indian Railway for the second half of 1875, and to state that, under the circumstances mentioned, the amount entered therein are confirmed by the Government of India.

2. In the lists submitted for this Railway as well as those sent forward for the Madras Railway, the establishments required for each Railway have been sanctioned without any deference apparently being given to the locality in which they are likely to be employed. I am to state that, in the opinion of the Government of India, it would be more satisfactory if the establishments likely to be required at each station and in each district were shown in some detail; this, it is believed, would enable a better check to be exercised over the total requirements of each Railway; this can be obtained from the abstract statements which have been sent forward.

No. 510. ORDER THEREON, 30th August 1875, No. 2,471.

RAILWAY, No. 63.

COMMUNICATED to the Consulting Engineer for Railways, with reference to G. O., No. 2,031, dated 17th July 1875.

2. Attention is called to paragraph 2. The arrangement therein indicated will be adopted in future lists.

(True Extract.)

(Signed) G. W. WALKER, Major-General, R.E.,

*Secretary to Government.*

To the Consulting Engineer for Railways.

„ Examiner of Railway Accounts.
