I have the honor to acknowledge the receipt of your docket No 1195 of the 23rd January last, forwarding in original the correspondence marginally noted with respect to the portion of land which the Reverend D G Clarke has recommended should be included in the cemetery at the French Rocks, and in reply to submit an alienation statement for the remission of the annual assessment thereon amounting to Rs 0—6—4. The compensation payable to the pattadar is estimated at Rs 20, as a stone well is included within the limits.

Proceedings of the Chief Commissioner of Mysore, Department of Revenue,
Agriculture and Commerce, 26th June 1875

2 A rough plan of the ground is forwarded. There is nothing on record to shew the limits of the cantonment, but evidently the land in question was beyond them, as it was never handed over to the Military authorities

Proceedings of the Chief Commissioner of Mysore, Department of Revenue,
Agriculture and Commerce, 26th June 1875.

From the Assistant Quarter Master General, Mysore Division, To the Secretary to the Chief Commissioner of Mysore, General Department, No 84, dated Bangalore, 13th January 1875

I have the honor by order to forward Proceedings of the Madras Government as per margin, also letter No 86 of 15th ultimo from Officer commanding French Rocks, and sketch of the ground proposed to be added to the cemetery at the French Rocks, and to request that you will be so obliging as to inform me whether the Chief Commissioner would have any objection to the acquisition of the piece of land and what would be the cost thereof

I shall feel obliged by the return of the enclosures

Read the following letter from the Venerable J GORTON, M A, Archdeacon of Madras, To the Hon D F CARMICHAEL, Acting Chief Secretary to Government, Fort St George, dated Bangalore, 21st August 1874, No 87

I have the honor to submit a letter from the Rev D G Clarke Chaplain of Mysore, for the favorable consideration of the Government

He enumerates the following wants in connection with the Chaplaincy and its outstations —

1st — A bell for the Chapel at the French Rocks for the purpose of making known the hour of public worship to the Church-going inhabitants who are now put to much inconvenience by the want of it, especially on those Sundays on which the Chaplain from Mysore officiates

Mr Clarke and his congregation would feel greatly indebted to the Government if they would order the supply of a middle-sized bell, and sanction the cost of carriage and erection by the Public Works Department.

2nd — Some means of lighting the said Chapel for evening service Estimated cost (I presume) of wall-shades, Rupees 50

3rd — A small strip of ground to be added to the cemetery for the interment of nonconformists, the cost of which would be very trifling, and an allowance of Rupees 4 a month for a liscu to keep it clean and in good order

4th — An allowance of Rupees 3 per mensem for keeping in order the grave-yard at Hunsur, the Commissariat Depot.

I trust that His Excellency the Governor in Council will be pleased to sanction the things which the Chaplain of Mysore has asked for, believing them to be much needed, and confiding in the desire of the Government to meet the reasonable wants of their Christian servants

From the Rev. D G CLARKE, Chaplain of Mysore, To the Venerable J GORTON, M A, Archdeacon of Madras, dated Mysore, 14th July 1874, No 90.

I have the honor to bring to your notice a few wants in connection with the Chaplaincy of Mysore and its outstations, and to hope that you will lay them before His Excellency the Governor in Council

A bell is much needed for the Chapel at the French Rocks for the purpose of making known the hours of service a small discarded ship-bell was provided by a former Chaplain, but it was unfortunately stolen a few months ago, and the Church-going portion of the inhabitants are much inconvenienced in consequence I should esteem it a favor if you would kindly recommend Government to give a middle-sized bell, and to sanction the cost of carriage and erection by Department Public Works

2 I much want some means of lighting the Chapel at the Rocks for the purpose of holding services in the evening I should be glad if Government would make a grant towards this object Rupees 50 would, I think, suffice.

3 It would be very desirable if a small strip of ground could be added to the cemetery at the Rocks for the burial of persons not members of the English Church in this additional ground non-

Agriculture and Commerce, 26th June 1875.*

churchmen could indulge in any form of burial service that best suited them the cost of the proposed addition would be very trifling, while the relief to the feelings of all concerned would be great

While on the subject of the Rocks' cemetery, I beg to ask that an allowance of, say, Rupees 4 per mensem be made for the purpose of keeping it clean and in good order

4 The Officer in charge of the Commissariat Depot at Hunsur has requested me to apply for a grant of Rupees 3 per mensem for keeping in order the grave yard there I trust you will kindly recommend this sum being sanctioned

Order Thereon, 27th August 1874, No 202

The Governor in Council sanctions the provision of a bell and wall shades for the Chapel at the French Rocks Orders on the subject will be issued in the Public Works Department

2 His Excellency in Council sanctions also the allowances of Rupees 4 and Rupees 3 monthly, for maintaining in order the cemeteries at the French Rocks and Hunsur, respectively

3 As regards the additional land required in connection with the cemetery at the French Rocks, it is not stated whether the land is situated *within* or *without* the cantonment limits If it be *within* the cantonment limits, the Military Department will issue instructions for appropriating it for the purpose required If it should be *without* the limits of the cantonment, application must be made to the Chief Commissioner of Mysore The Venerable the Archdeacon will afford information on the point
