*Proceedings of the Madras Government, Public Works Department,  
1st September 1875.*

No. 18. Read the following letter from Colonel H DRUMMOND, R E, Deputy Secretary to the Government of India, Public Works Department, (Railway,) to Major-General G. W WALKER, R E, Secretary to the Government of Madras, Public Works Department, (Railway,) dated Simla, 21st August 1875, No 2,098 R. —

In acknowledging the receipt of the schedule of works proposed to be undertaken on the Madras Railway from Capital and Revenue during the half-year 31st December 1875, forwarded under docket, No. 1,957, dated 10th ultimo, I am directed to observe that details of item No 2 of the Schedule should either be given in full, or, if the works are treated as forming one project, it should be submitted for the sanction of the Government of India. Before any portion of the charges incurred for repairs and renewals are charged to Capital, full explanation of each case should be laid before the Government of India

2 With regard to Item 1 of the Schedule, I am to inquire why the Railway should pay for the increased water-way for the discharge of the new calingulah of the Munnoorketchma tank The rule on such matters is that the work last executed should pay for any alteration or accommodation that is found necessary
