*Proceedings of the Madras Government, Public Works Department,
6th January 1875.*

No. 46. Read the following endorsement of the Chief Engineer for Irrigation,
'dated Camp at Poolumputty, 30th November 1874, No 983-A. —

From Major A M LANG, R.E, Principal, Thomason College, Roorkee, to Lieut-
enant-Colonel J. MULLINS, R E, Chief Engineer for Irrigation, dated
Roorkee, 18th November 1874, No. 2,820 P.

I HAVE the honor to forward for perusal* a set of tables of Rajbaha velocities and
discharges recently computed for the

* Under separate cover

Punjab Irrigation Department, and to

request favor of being informed if you will take any copies

2. As soon as the number of copies required is known the impression will
be printed off and the type broken up, after which the expense of reprinting would
be considerable.

3. The cost will be (about) Annas 5 per copy if ordered now, (but the exact
amount depends upon the number of copies ordered by the different Governments).
An early reply will oblige.

SUBMITTED for the consideration of Government with a recommendation that
100 copies of the tables be taken; they will certainly be useful to all members of
the department having to deal with distribution and supply channels.

(Signed) JOHN MULLINS, Lieut -Colonel, R E ,
Chief Engineer for Irrigation.
