*Proceedings of the Madras Government, Public Works Department,
28th January 1875.*

No. 517. Read the following endorsement of the Consulting Engineer for Railways, dated Madras, 9th January 1875, No. 26 :—

From W. S. BETTS, Esq., Agent of the South Indian Railway, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Negapatam, 7th January 1875, No. 331.

Your letter No. 12 of the 6th instant. A charter party has been entered into with the owners of the ship *Portlaw* for the conveyance of the *Ellenborough's* cargo from Rio de Janeiro to Negapatam. This charter party is dated 24th October last, and it describes the *Portlaw* to have then been at Rio de Janeiro. It would probably take about a month to transship the cargo from the *Ellenborough* to the *Portlaw*. I have not yet heard of the departure of the last named ship from Rio de Janeiro, but this may be accounted for by the news having first to be conveyed thence to England. I expect we shall have this cargo delivered to us at Negapatam next month; its late arrival is not likely to retard the opening of the line, at any rate as far as Madura, beyond the 1st of July next.

SUBMITTED for the information of Government, with reference to paragraph 2 of their Proceedings, No. 3,487, dated 12th December 1874.

(Signed) J. H. M. SHAW-STEWART, Lieut.-Colonel R.E.,
Consulting Engineer for Railways.
