*Proceedings of the Madras Government, Public Works Department,
28th January 1875.*

No. 521-C. Read the following letter from T. MOSS, Esq., Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 11th December 1874, No. 8,151 :—

I HAVE the honor to forward herewith, for submission to the Financial Department, the Regular Estimate of Public Works charges under Provincial Services for 1874-75.

2. During the first half of the year the outlay has been as follows:—

		Works.	Repairs.
		RS.	RS.
Civil Buildings	...	2,08,829	61,798
Communications	...	77,232	26,818
Miscellaneous Public Improvements	...	3,288	10,401
Total	...	2,89,349	99,017

and, judging from the outlay under the same heads during 1873-74, I should suppose that the full of the grants for New Works and Repairs, entered in the Regular Estimate in the column "Sanctioned present Grant," will be utilized, and accordingly those grants or amounts have been repeated in the column "Probable Expenditure."

3. As regards Establishment, I beg to refer to the remarks contained in the 13th paragraph of the note submitted with my letter No. 8,031, of the 8th instant. As the total grant from Provincial for New Works and Repairs amounts to Rupees 9,45,194, I think a provision at the rate of 25 per cent. on that amount should at least be made, and I have accordingly entered Rupees 2,36,300 in the Regular Estimate.
