It seems a pity to neglect to
form a reservoir, in order to
enable a crop to be grown
in the bed of the Tank. If
this is to be allowed it will
be useless to go on with the
project which would probably bring
a large area under cultivation

Spent after. & not call for
reports of the instructions lately
issued by the Govt. of the Straits
have been ascertained in the Dec. 2.
which was done on 11th Dec. 12 Dec. 13.
