No. 125. ORDER THEREON, 8th September 1875, No 2,545

RAILWAY, No 16

THE Proceedings are approved, subject to the remark that His Excellency the Governor in Council is of opinion that as the Board of Directors have ordered that rent shall be recovered from the General Storekeeper for certain rooms over the general warehouse which were presumed erected in order that he should live on the premises, either he or his *locum tenens* should both live in the rooms and pay for them. A reference on the subject to the Board seems desirable, in the absence of full information.
