*Proceedings of the Madras Government, Public Works Department,
8th September 1875.*

No. 134. Read the following letter from J MAY, Esq, Superintendent of the Madras Harbour Works, to Major-General G. W WALKER, R E, Secretary to Government, Public Works Department, dated Madras, 25th August 1875, No 11 —

I HAVE the honor to enclose an extract from Mr Parkes' letter of 30th ultimo, to my address, received here last Friday evening. The extract refers to two appointments for the establishment of these works, both of them included in the estimate of 7th instant, viz, the "European Assistant" (Mr. Beardmore) and the "European Concrete-maker" (Mr. George Lowe).

Extract of a letter from W PARKES, Esq, to J MAY, Esq, dated London, 23, Abingdon Street, 30th July 1875

Madras Harbour

"GEORGE LOWE started by the SS *Bokhara* yesterday, his appointment having been finally sanctioned only on the 27th, you may therefore expect him about 1st September, and I daresay you will kindly make arrangements for quartering him somewhere. He is entitled to free quarters.

"The following is the last paragraph of the India Office letter advising me of this appointment —

'I am to add that although, in order to save time, this appointment has been sanctioned without previous reference to the Government of Madras, no further additions to the staff to be employed on the Harbour Works will be sanctioned unless recommended by that Government.'

"I received by the last mail a printed copy of the Proceedings of the Madras Government of 25th May last, but nothing has reached the India Office. I presume that paper will justify my engaging Mr Beardmore, but I wait for some more definite programme of your proceedings and your requirements before doing so.
