Public Works DEPARTMENT

G.O. No.	2585	(Ry)	Press
B.P. No.			Mis.
Dated	9. 9.		18.75.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
9th September 1875.*

No. 203. Read the following endorsement of the Consulting Engineer for Railways,
dated Madras, 3rd September 1875, No. 494:—

From R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, to
Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer
for Railways, dated Madras, 28th August 1875, No. 901.

Under the circumstances represented by the Chief Engineer in his letter of this
date, No. 650, a copy of which is enclosed, I have the honor to apply for the sanction
of Government to the temporary employment of two Apothecaries, to be placed under
the orders of the Resident Engineer, 2nd Division, North-west Line.

2. In anticipation of the sanction of Government, I have instructed the Acting
Consulting Physician to select two competent Apothecaries for service on the North-
west Line on salaries not exceeding Rupees 80 per mensem each.

From B. ANDERSON, Esq., Chief Engineer, to R. B. ELWIN, Esq., Agent and Manager of
the Madras Railway Company, dated Madras, 28th August 1875, No. 650.

THE Resident Engineer, 2nd Division, North-west Line, reports that cholera is very bad along
the line. One of our Permanent Way Inspectors has had it. The works at the new bridge at
173rd mile have been stopped owing to seven persons having been attacked by the disease, and even
the regular gang coolies have deserted. I think it would tend to restore confidence if you could
arrange to send a couple of extra Apothecaries, to be under the orders of the Resident Engineer
on this length, as a temporary measure.

I would also suggest that quantities of disinfectants, such as Condy's fluid, chloride of lime,
carbolic acid, &c., be furnished to the men for use where necessary.

From R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, to Lieut.-
Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated
Madras, 2nd September 1875, No. 916.

With reference to the 2nd paragraph of your letter No. 940, of the 30th ultimo, I have the
honor to state that it is proposed to charge the pay of the two Apothecaries to the amount provided
for "Engineers' Salaries" in the Establishment List for the current half-year.

SUBMITTED for the approval of Government.

2. In anticipation of the sanction of Government I have authorized the temporary
appointment of two Apothecaries, to be placed under the orders of the Resident Engi-
neer, 2nd Division, North-west Line, of the Madras Railway.

(Signed) J. H. M. SHAW-STEWART, Lieut.-Colonel, R.E.,
Consulting Engineer for Railways.

The Agent and Manager

Dear Sir,

The Resident Engineer 2^d Division North West Line reports that cholera is very bad along the line. One of our Permanent way Inspectors has had it. The works at the new bridge at 173rd mile have been stopped owing to 7 persons having been attacked by the disease, and even the regular gang Coolies have deserted. I think it would tend to restore confidence if you could arrange to send a couple of extra Apothecaries to be under the orders of the Resident Engineer on this length, as a temporary measure.

I would also suggest that quantities of disinfectants such as Condy's fluid, Chloride of lime, Carbolic acid &c. be furnished to the men for use where necessary.

Yours faithfully
Edw. Perciford Anderson
