*Proceedings of the Madras Government, Public Works Department,
29th January 1875.*

No. 531. Read the following letter from Major J. BEATTY, R.E., District Engineer, Godavery, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 31st December 1874, No. 3,049:—

I HAVE the honor to report that in July last the Officer then in charge of No.

Extract from Disallowance List.

3 Range informed me that he found

Delta Superintendent, L. E. D'Bras, very inefficient, and that he considered him physically unfit for the duties of his post.

2. As Mr. D'Bras had been several years in the public service, before deciding what should be done with him, I directed the Range Officer to ascertain and let me know the opinion of the Civil Surgeon.

3. This resulted in Mr. D'Bras' obtaining a medical certificate of unfitness for further service, I thereupon directed the Range Officer to have him relieved as quickly as possible.

4. The certificate was dated Rajahmundry, 3rd August, Mr. D'Bras returned to his station in the Western Delta, a distance of about 50 miles, arrangements were made for carrying on his work, and he was finally relieved on the 21st August.

5. The Controller has disallowed Mr. D'Bras' pay* from 3rd to 21st August

*Rupees 24-8-3.

1874, and considers special sanction of

Government necessary; I have, therefore, the honor to request you will be good enough to obtain this.

6. I referred the Controller to the Notification of the Government of India, Financial Department, No. 4,535, of 24th July 1874, but he does not consider the rule there laid down applicable to this case. The Range Officer also observed that it was not understood how it could be expected that when a man gets such a certificate he can then and there be relieved. He must first return to his station to give over charge, and perhaps go about for some days with the person who relieves him, visiting works, etc.
