*Proceedings of the Madras Government, Public Works Department,  
10th September 1875.*

---

No. 216. Read the following Proceedings of the Madras Government in the Marine Department, dated 10th August 1875, No. 288 :—

ABSTRACT.—*Lighthouse*.—Sanction granted for the payment of Rupees 275-14-3, due to the Dowlaishweram Workshop, on account of stores supplied for the experimental borings off Hope Island, and the adjustment of Rupees 4,715-10-1 to be considered in the Public Works Department.

No. 217. ORDER THEREON, 10th September 1875, No. 2,592.

CIVIL WORKS, No. 15.

It is observed that in letter to the Government of India, No. 2,171, dated 7th August 1874, the liability of Provincial Funds for the expenditure incurred on preliminary operations in connection with the lighthouse at Cocanada was admitted. But, as the Public Works Department are unable to meet the charge during the current year, the Financial Department will be requested to allow it to remain at the debit of Port Funds till 1876-77.

(True Extract.)

(Signed) G. W. WALKER, Major-General, R.E.,

*Secretary to Government.*

To the Financial Department.

„ Controller of Public Works Accounts.

„ District Engineer, Godavery.

Doulaishieram

Sir,

I have the honor to acknowledge the receipt of your letter No 910, dated 21<sup>st</sup> Instant, and beg to inform you that, the Stores as per lists enclosed, have been made over to the Dredge Superintendent at the request of the Executive Engineer so far back as 11<sup>th</sup> February 1875. One Coil of Manilla rope was made over on the 7<sup>th</sup> Instant. I have no other Stores to be transferred over.

I have &c &c

Camp. Dowlaishwarum  
No. 173 Executive Eng's Office 29 June 75  
From The Officer in charge No. 1 of Eastern  
Delta Range Godavery Distt  
To The District Engineer Godavery  
District Dowlaishwarum

Sir,

With reference to your letter No. 945  
dated 24<sup>th</sup> instant I have the honor to forward  
herewith a list of <sup>part</sup> the articles other than  
those supplied or lent from the Dowlaishwa-  
rum workshops & which are handed over  
to me by the Master Attendant from the  
Screw Pile Light house. Boringo at Cocanada  
as there in called for.

2. These articles are of use to this  
Department and may be taken at the  
values I have entered opposite them in  
the list. I have not shown the  
original values as entered in the list which  
accompanied your No. 89 dated 8<sup>th</sup> April 75  
but those for which they can be made  
up

up in the workshops.

3. Mr. Edwards Dredge Superintendent at Cocanada reports that he has not received any other articles except those mentioned in the two lists sent to you by Captain Mastor. Vide copy of his letter enclosed.

4. It will be noticed from these two lists that there are apparently a large number of articles which the Master Attendant has not yet delivered over, and it would be advisable to call upon him to state what he has done with them.

I have &c.  
Signed / R. R. Brockman Captain  
Executive Engineer.

*W. H. Sealey, Major, U. S. A.*  
*District Engineer*

126

*Proceedings of the Madras Government, Marine Department,  
10th August 1875.*

**Lighthouses.**

Read the following papers:—

No. 18. From Major J. BEATTY, R.E., District Engineer, Godavery District, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to Government, Public Works Department, Fort St George, dated Dowlaishweram, 1st July 1875, No. 1026.

With reference to the papers printed with G.O., No. 488, of the 19th February last, wherein

*Enclosures five.*  
One List of Articles not supplied but handed over.  
One Statement of Articles supplied.  
One Bill showing amount due to Workshop.  
One copy of letter from No. 1, Range Officer.  
One copy of letter from Master Attendant.

the Marine Department was directed to hand over the balance of stores from the experiments for putting down a pile of the screw-pile Lighthouse of Cocanada, I have now the honor to furnish a list of the stores handed over, other than those supplied or lent from the Dowlaish-

weram Workshop, and a statement and bill from the Workshop for articles supplied or lent to the experiments.

2. The bill was presented for payment in last official year but refused by the Master Attendant on the ground that the Marine Department had no funds, and the delay in submitting the bill and the list in this official year has been allowed to give time for the Marine Department handing over all the articles that remained from the work. The remains of the Manilla rope were handed over in June, and it was supposed that there was still a considerable quantity of stores to be handed over, judging from the statement furnished with the above-mentioned Government Order, but the Master Attendant states in his letter, No. 816, of the 24th ultimo (copy sent), that he has no more stores to make over.

3. The stores handed over, other than those supplied or lent from the Dowlaishweram Workshop, are estimated by the Executive Engineer to be of the value of Rupees 899-13-1, and will be of use in this department.

4. The Workshop bill and statement show the articles supplied to the screw-pile borings, the deductions to be made for articles recovered, and the amount now due to the workshop, viz., Rupees 275-14-3; and the Workshop Officer now requests that an allotment to that extent may be made him, which I beg you will be good enough to have done.

No. 208.

Referred to the Marine Department with a view to orders being issued to the Master Attendant to adjust the Workshop bill. It is observed that the funds for preliminary operations in connection with the Cocanada Lighthouse were transferred to the credit of the Marine Department in G.O., No. 357, dated 25th September 1874 (Marine).

OOTACAMUND,  
12th July 1875.

(Signed) J. O. HASTED, Major, R.E.,  
Offg. Joint Secretary to Govt., P.W.D.

Referred to the Master Attendant for report.

*Proceedings of the Madras Government, Marine Department,  
10th August 1875.*

No. 19. From Captain J. H. TAYLOR, R.N.R., Acting Master Attendant, Madras, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 29th July 1875, No. 4896.  
Administrative Department.

I have the honor to return the papers marginally noted, received under your endorsement thereon, dated 14th July 1875, and to offer the following observations and explanations thereon.

1. Letter from the District Engineer, Godavery District, to the Officiating Secretary to Government, Department Public Works, Madras, dated 1st July 1875, No. 1026. Enclosures five.  
2. All expenditure in connection with the experimental borings off Hope Island was, under the terms of G.O., Marine, No. 321, dated 24th August 1874, made debitable to the General Port Fund, in anticipation of a formal assignment from either Imperial or Provincial Funds. In pursuance of this resolution, a sum of Rupees 3,500 was placed at the disposal of this Department under G.O., Marine, No. 337, date 25th September 1874. But, as reported in my letter recorded in the Proceedings of Government, No. 397, of date 31st October 1874, the aggregate expenditure exceeded the estimated amount of Rupees 3,500 by Rupees 1,215-10-1. The balance of stores unexpended was, under this order, handed over to the Department Public Works, as belonging to it, and the transaction ended, pending adjustment of the amount expended on the work.

3. Subsequently I received a bill from the District Engineer, through the Master Attendant, Cocanada, for stores said to have been supplied from the Dowlaiswaram Workshop, but as the work was an Imperial one, and as there were no funds in hand to meet the bill in question, it was returned unpassed for adjustment in the Public Works Department.

4. Under the orders of Government marginally quoted, the cost of the Hope Island Light establishment and its contingencies are borne by Provincial Funds, and I would therefore recommend that the sum of Rupees 275-14-3, due to the Dowlaiswaram Workshops, be met from savings, in the Marine Budget, under Provincial Lighthouses.

5. While on this subject, I would call attention to the fact that the Government of India have disallowed the allotment of Rupees 1,00,000 set apart in the Public Works Budget for the present year for the new lighthouse off Hope Island, the execution of which is virtually suspended. I would therefore respectfully solicit the orders of Government as to the adjustment of the sum of Rupees 4,715-10-1 due to the General Port Fund.

No. 20. ORDER THEREON, 10th August 1875, No. 288.

Sanction is granted for the disbursement of the sum of Rupees 275-14-3, due to the Dowlaiswaram Workshop, to be met from savings under Marine—Lighthouses—Provincial, for 1875-76.

2. The adjustment of the sum of Rupees 4,715-10-1, adverted to in paragraph 5 of the Master Attendant's letter, will be considered in the Public Works Department.

3. It is observed that no credit was ever given to Port Funds, either from Imperial Revenues or Provincial Service, on account of the Hope Island Lighthouse.

(True Extract.)
