*Proceedings of the Madras Government, Public Works Department,
10th September 1875.*

No. 226. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 18th August 1875, No. 2,034 :—

IN reference to G. O., No. 2,057, of 20th ultimo, which sanctions the temporary posting of first-class Taluq Overseer Chinnasawmy Pillay as the Pereacolum sub-division officer, I have the honor to bring to your notice that the office establishment allowed to him is hardly sufficient to enable him to forward his accounts to the Range Officer in time, or to maintain his correspondence with that promptitude which he as a sub-division officer should do.

2. There are several irrigation works, police buildings, besides a Taluq Cutcherry, Goodaloor Ghaut work, and great many Local Fund services within the

extensive area* which the Pereacolum sub-division comprises, and the officer in charge of it must find it difficult to have his office works carried out efficiently and promptly with but one writer on Rupees 25 per mensem, though we exclude

from consideration the serious delay which will occur in the transactions of business should that individual be incapacitated by sickness, &c.

3. Under these circumstances I have the honor to request that sanction may be granted for the entertainment of an assistant writer on Rupees 10 per mensem.

No. 227. ORDER THEREON, 10th September 1875, No. 2,597.

ESTABLISHMENT, No. 14.

THE sub-divisional establishment in question is of the usual strength and cannot be increased.
