*Proceedings of the Madras Government, Marine Department,
27th August 1875.*

Harbours—Mangalore.

Read the following papers :—

No. 32. From A. C. LAWFORD, Esq., Officiating District Engineer, South Canara, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to Government, Public Works Department, dated Mangalore, 21st July 1875, No. 26.

I have the honor to inform you that a sum of Rupees 400 was applied for in the list of incomplete works for expenditure during the current official year on the work connected with the Mangalore Harbour, fixing mouth and closing Gurpur gap. project noted in the margin, and it was forwarded to the Collector of the District with a view to his obtaining necessary sanction to the amount, through the Master Attendant, Administrative Department, Madras.

2. The Collector in reply forwards a copy of letter, No. 4318, of the 7th instant, received by him from the Acting Master Attendant, stating that the District Engineer should apply to Government in the Public Works Department for further funds required for the work. I have therefore the honor to request that you will be so good as to have the sum applied for allotted, as soon as possible, out of Port Funds.

3. The sum of Rupees 360 was granted for the work during the last official year in G.O., No. 1192-B, of the 4th May 1874.

No. 304.

No. 33. From Captain J. H. TAYLOR, R.N.R., Acting Master Attendant, Madras, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Madras, 12th August 1875, No. 5172.

Administrative Department.

I have the honor to make the following observations in obedience to your endorsement, dated 4th August 1875, No. 281, on the paper Letter from the District Engineer, South Canara, to the Secretary to Government, Public Works Department, Madras, No. 26 of 21st July 1875, marginally noted, and which is herewith returned.

2. Government, in the Public Works Department, on a Memorandum, dated 8th May 1872, by the Chief Engineer, placed a sum of Rupees 7,000 at the disposal of the District Engineer for the collection of materials, viz., sand bags, piles and brushwood, for closing the gap of the Gurpur river, and estimates were to have been submitted by November of that year. In an Order, dated 7th October 1872, and numbered 2347, Public Works Department, all action was suspended until after the monsoon of 1873. I am not aware of the nature of the work performed during the year 1873-74 in connexion with the Mangalore Harbour, but from the statement of the Controller of Public Works Accounts, a sum of Rupees 413-13-1 appears to have been expended. G.O., Public Works Department, dated 4th May 1874, No. 1192-B, sanctioned a charge of Rupees 360 for the works in question to be expended in 1874-75.

3. The District Engineer, in his present application, requires an allotment of Rupees 400 for the current year to be expended on works in connexion with the Mangalore Harbour. A

this department is not aware of the nature and extent of the work to be performed in the absence of estimates, or specifications, or information of any kind regarding the same, and as, moreover, all orders by Government on the subject have hitherto been passed in the Department of Public Works making the necessary allotments, I intimated to the Collector of South Canara my inability to sanction any expenditure on the works, and recommended that the course followed from the commencement of the project be still continued, and the necessary allotment obtained through the Public Works Department.

4. I may mention that a sum of Rupees 10,000 was inserted, on the requisition of the Collector, in the current year's Budget, and disallowed by Government in the Financial Department, and regarding which Colonel Walker remarks, "No entry need be made on account of Mangalore Harbour, as by all accounts it is hardly yet in a state to be operated upon with any certainty." Accordingly no provision was made from the General Port Fund in G.O., Financial No. 256, dated 5th February 1875.

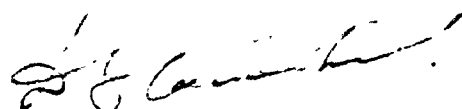

No. 34. ORDER THEREON, 27th August 1875, No. 302.

The Governor in Council resolves to sanction an allotment of Rupees 400 for the current year for closing the Gurrupur gap and fixing the mouth of the Mangalore Harbour.

2. The District Engineer will be required to report on the precise nature of the work to be undertaken.

3. The charge will be met from the balance available under Port Funds.
