*Proceedings of the Madras Government, Public Works Department,*
*13th September* 1875.

No. 310. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department (Account—General), to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Simla, 10th August 1875, No. 479 A. G.:—

I AM directed to acknowledge the receipt of your letter, No. 1,671, dated 14th June 1875, and in reply to point out that, as it is intended not to construct quarters for the Warrant and Non-Commissioned Officers of the Commissariat Department at Royapooram, the provision of Rupees 20,000 entered for the purpose in the Madras Imperial Public Works Budget Estimate for 1875-76 will be available for other works, and to inquire how it is proposed by the Government of Madras to reappropriate that amount. I am to ask again for the information requested in the orders forwarded with Public Works Department letter, No. 184 A. G., dated 1st April 1874, respecting the amount of rent now being paid for the quarters.

2. I am further to observe that the information desired by the Government of India as to the apparently high cost of quarters for the Conductor and Staff Serjeant of the Commissariat Department at Cannanore, has not been furnished, and to request that it may now be submitted. It is stated in paragraph 2 of your letter under reply that, as the grant for the quarters was allowed to stand, the buildings were proceeded with, but I am to point out that in permitting the provision in the Budget to stand it was intended that the grant was not to be expended until the information required was received and accepted by the Government of India, and that therefore no expenditure on the buildings should have been incurred until receipt of orders from the Government of India that the work for which the grant was allotted might be undertaken.

MILITARY WORKS, No. 11.

SIR,—I am directed to acknowledge the receipt of your letter, No. 479 A. G., dated 10th August 1875, and with reference to paragraph 1 to invite attention to the accompanying copy of Proceedings, No. 1,886, dated 3rd July 1875, showing the reappropriation of the Budget provision for Warrant and Non-Commissioned Officers' quarters of the Commissariat Department at Royapooram; and to state that the confirmation of the Government of India to the transfers made was requested in No. 2,335, dated 13th August 1875. The information called for as to the amount of rent paid for quarters occupied was furnished in my No. 2,040 B., dated 28th July 1874.

2. I am to regret the delay which has occurred in supplying the information referred to in paragraph 2 of your letter under reply, but the District Engineer has again been called on to furnish the required particulars, and on receipt a further communication will be addressed to you on the subject. Seeing that the grant for the construction of quarters for the Conductor and Staff Serjeant of the Commissariat Department at Cannanore was expressly allowed to stand, it was not understood to be the desire of the Government of India that no expenditure on the work should be permitted, and the District Engineer was accordingly allowed to proceed with it.

I have the honor to be,
Sir,
Your most obedient servant,

Major-General, R.E.,

Sir,

I am directed to acknowledge the receipt of your letter No. 1671 dated 14th June 1875, and in reply to point out, that, as it is intended not to construct quarters for the warrant and Non-Commissioned Officers of the Commissariat Department, at Royapooram, the provision of Rs. 20,000 entered for the purpose in the Madras Imperial Public Works Budget Estimate for 1875-76 will be available for other works

works, and to enquire how it is proposed by the Government of Madras to re-appropriate that amount. I am to ask again for the information requested in the orders forwarded with Public Works Department letter No. 1844 dated 1st April 1874. respecting the amount of rent now being paid for the quarters.

2. I am further to observe that the information desired by the Government of India as to the apparently high cost of quarters for the Conductor and Staff Serjeant of the Commissariat Department at Cannanore, has not been furnished, and to request that it may now be submitted. It is stated in para: 2 of your letter under reply that, as the grant for the quarters was allowed to stand, the buildings were proceeded with but I am to point out that in permitting the provision in the budget to stand it was intended that the grant was not to be expended until the information required was received and accepted by the Government of India, and that therefore the buildings should have been carried on after actual receipt of order from the Government of India that the work for which the grant was allotted might be undertaken.
