*Proceedings of the Madras Government, Public Works Department,
13th September 1875.*

Read the following papers:—

No. 316. From Major-General M. K. KENNEDY, R.E., Secretary to the Government of Bombay, Public Works Department, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to the Government of Madras, Public Works Department, dated Bombay, 5th August 1875, No. 387 E.

WITH reference to your letter No. 2,121, dated 24th July, and previous correspondence, on the subject of the employment of Mr. Bhimaya Saenna, Sub-Engineer, 3rd Grade, by the Madras Government, I am directed to subjoin extract from a letter that has been received from Mr. Hart, C.E., the officer under whom Mr. Bhimaya Saenna is now serving:—

"Mr. Parkes has evidently applied for the services of this officer, knowing him to be skilful and hardworking, as well as experienced in the class of work about to be undertaken at Madras; and were it not that it would be unjust to the individual, I should strongly deprecate the loss of his valuable assistance in this Harbour. I presume that by the mention of a higher rate of pay (that of the next higher grade), it is the intention of the Madras Government that Mr. Bhimaya Saenna should be, in some way, recompensed for the change of Presidency, but I have also to explain that a simple increase of pay, amounting to Rupees 50 only, will prove a pecuniary loss to him, unless it be accompanied with a Presidency allowance, and also a Divisional allowance, and free quarters at present given him here."

"There will probably be a quantity of the plant of these works to be transferred for the Madras works, in which case Mr. Bhimaya might see to their packing and transfer if the Madras authorities thought fit. At present no application has been made for our plant, but I have no doubt that such will soon arrive, and the arrangement I suggest would be most convenient and profitable for all parties."

2. I am to point out that Mr. Bhimaya Saenna will incur a pecuniary loss by his transfer to Madras, unless the allowances specified by Mr. Hart are granted to him, and I am to ask whether the Madras Government will be willing to grant him these allowance in addition to the regular pay of the next higher departmental grade to that now held by Mr. Bhimaya Saenna.

3. I am also to point out that, if it is intended to indent on the Kurrachee Harbour Works for such plant as may be available for use on Madras Harbour Works, it would, as Mr. Hart suggests, be a good arrangement to employ Mr. Bhimaya Saenna in arranging for the transfer of such plant.

No. 317. From JAMES MAY, Esq., Superintendent, Madras Harbour Works, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated 20th August 1875, No. 10.

REFERRING to a conversation with you yesterday morning, as to Mr. Bhimaya Saenna, Sub-Engineer of Kurrachee, I have the honor to enclose an extract from Mr. Parkes' letter to my address of 21st May last. The extract from Mr. Parkes' letter is on the subject of applying some of the Kurrachee plant to the works of Madras Harbour, and Mr. Price, who is named in the extract, was the Superintendent of the Kurrachee works during their construction.

*Proceedings of the Madras Government, Public Works Department,
13th September 1875.*

2. I presume that, with the assistance of the enclosed information, Mr. Bhimaya Saenna may select such articles as would be applicable here.

MADRAS HARBOUR WORKS.

Extract letter from MR. WILLIAM PARKES, London, to MR. JAMES MAY, Madras, dated 21st May 1875.

"I HAVE had some conversation with Mr. Price about the Kurrachee plant available. "Of special break-water materials, there are the *Titan* or *Goliath* and 10 Block Trucks, for which he thinks half the cost in India should be given.

"The following is a copy of other selected articles, of which he considers about one-half would be fit for use. The value given is the original first cost, so there does not seem to be much after all :—

CIVIL WORKS, No. 27.

SIR,—I am directed to acknowledge the receipt of your letter, No. 387 E, dated 5th August 1875, and, in reply, to state that this Government are prepared to allow Mr. Sub-Engineer Bhimaya Saenna, subject to the approval of the Government of India, Presidency allowance and house-rent at the rate of Rupees 50 and 20, respectively, as provided for in paragraphs 15 and 16, Section I., Chapter I. of the Government of India Code. It is not understood what is meant by divisional allowance, but it is considered that the pay attached to the next higher grade than that at present held by the Sub-Engineer, which has been offered, will be sufficiently remunerative.

2. With reference to paragraphs 3 of your letter, I am to forward, herewith; copy of Mr. May's letter, No. 10, of the 20th August, and its enclosure, and to request that such plant mentioned therein, as may be selected by Mr. Bhimaya Saenna, may be placed at the disposal of the Madras Government at such cost as its present condition may warrant; and that the Superintendent of the Kurrachee Harbour Works may be authorized to send it round by sea to Madras at a favorable season.

I have the honor to be,

Sir,

Your most obedient servant,
