WITH reference to the Orders of Government, No. 2,234, dated 4th August 1875, received here on the 19th idem, I have the honor to state that as usual, in accordance with rules, the books of this office were closed in the month of July last, and that shortly afterwards the Appropriation Accounts together with the Annual Accounts Current for 1874-75 were submitted to the Accountant-General, Public Works Department. In these accounts a sum of Rupees 12,192-2-3 has been debited to Irrigation Extraordinary on account of Survey Establishments, and it is too late now for me to alter any of the accounts or books of the past year.
