

*Proceedings of the Madras Government, Public Works Department,
16th September 1875.*

No. 357. Read the following endorsement of the District Engineer, North Arcot, through the Controller of Public Works Accounts, dated Vellore, 28th August 1875, No. 2,126:—

From M. A. APPASAWMY PILLAY, Supervisor in charge of Wallajah Range, dated Ranipett, 25th August 1875, No. 483.

ABSTRACT.—Applying for one years furlough.

FORWARDED for the favorable consideration of the Chief Engineer, Public Works Department, through the Controller of Public Works Accounts.

2. Supervisor Appasawmy Pillay has not submitted a medical certificate, but I have not thought it necessary to delay the application on that account, as there is unfortunately no doubt of the state of his health.

3. If this furlough be granted, it is absolutely necessary that some qualified officer be sent to take charge of the range, as it is quite impossible to provide for the charge of it from the existing establishment. Mr. Vincent could not be removed from the Vellore bridge, where he is doing very well, even if he were qualified for the charge of so large a range, which, as yet, I do not think he is, and the Probationary Assistant Engineer now in charge of the Chendragherry Sub-Division is altogether unequal to such a duty.

4. The Wallajah Range includes the two taluqs of Wallajah and Chendragherry and the Calastry and Carwait Nuggur Zemindaries; the Wallajah Taluq is by far the largest and most important in the district, and includes the heads of the two principal systems of irrigation and the great Cauveripauk Tank.

(Signed) J. PENNYCUICK, Captain, R.E.,
District Engineer, North Arcot.

No. 70.

As Supervisor Appasawmy Pillay had leave on private affairs from 1st September 1864 to 28th February 1865 under the rules in force *subsequent to the 8th June 1863*, he is not eligible to the one year's furlough now applied for — See Section 7, Supplement F, of the Civil Leave Code.

2. Leave on private affairs for six months may be granted under Section 5, Supplement F, of the Civil Leave Code.

FORT ST. GEORGE, (Signed) L. CONWAY-GORDON, Captain, R.E.,
3rd September 1875. Controller of Public Works Accounts.

No. 358. ORDER THEREON, 16th September 1875, No. 2,662.

ESTABLISHMENT, No. 23.

The Supervisor will be granted leave on private affairs for six months, as suggested by the Controller; and in the absence of any available officer to relieve him, the District Engineer will arrange for
